Wake Packages

Supporting You With Care

At The Venue by White, we understand that saying goodbye to a loved one is never easy. In the days that follow a loss, the last thing any family should have to worry about is organising a venue – which is why we've created a range of wake packages designed to take that weight off your shoulders, so you can focus on being together and celebrating a life well lived.

Set in Moreton on the Wirral, our venue offers a warm, private space where family and friends can gather to share memories, support one another, and honour someone special.

From catering and refreshments to a dedicated team on hand throughout, every detail is handled with the same care and discretion we'd want for our own families.

Whether you're looking for something quiet and intimate or a larger gathering to reflect the life being remembered, our packages are flexible enough to be shaped around what your family needs.

We're honoured to be trusted with this part of your day, and we're here to support you every step of the way.

Total: £800.00 (£16.00 Per Head)

The Process

We know that arranging a wake often comes at a time when there's little energy left for logistics, so we've kept our process simple, flexible and led entirely by what your family needs.

1. Get in Touch

A member of our team will speak with you directly, either by phone or in person, to understand your wishes, your expected numbers, and any dates or timings you're working around.

2. Choose Your Package

We'll talk you through our wake packages and help you choose the option that best suits your family – whether that's a simple, intimate gathering or something larger. Packages can be adjusted to fit your needs, so nothing feels like a rigid, one-size-fits-all booking.

3. Confirm the Details

Once you're happy, we'll confirm catering choices, room setup, timings and any special requests, so everything is agreed in advance and there's nothing left to think about on the day.

4. We Take Care of the Rest

Our team will have the room ready and waiting ahead of your arrival, with catering, refreshments and setup fully in hand. On the day itself, we're on hand throughout to support you quietly in the background, so you and your family can focus on being together.

5. After the Day

If there's anything further we can help with afterwards, our team remains just a phone call away.

A note: I've written this as a general five-step process based on how these things typically work, since I don't have your actual internal workflow (how bookings come in, lead times, deposit process, etc.). If you can share how it really works at The Venue by White, I can tighten this up to match exactly – that'll also make it more trustworthy to grieving families reading it, since vague steps can feel a bit hollow in this context.
